WHY A SUPPLEMENT?

PRIMARILY:

When, in April of 1974, we issued our 172-page account of "the William Grinstead Family in America", we stated very definitely, (see last paragraph on page 8), that there were yet a few differences of opinion to be resolved. These included, particularly:

- A-Was the Henry Grinstead, who married Sarah Ferrill, a son of RICHARD, or of an older brother, JESSE? At that time we were inclined to favor Richard, but in the light of evidence now in our possession we must conclude very definitely that Henry was indeed the son of JESSE. Hence we shall now reject pages 26 and 27 of our original text, where we listed Henry as the son of Richard, in favor of pp. S4 to S10 of this SUPPLEMENT where you will now find a new and much more complete tabulation of the family of Henry, as the son of JESSE.
- B-Was Bartholomew Thomas Grinstead a son of RICHARD, or of DAVID? Here our original choice of RICHARD seems to have been correct.
- C-Just who was Dr. Wm. F. Grinstead, eminent physician of Cairo, Ill.? It seems that he was NOT a grandson of Lucy and William Warren Grinstead, as we had been informed, but rather a grandson of Edward, a younger brother of Wm. Warren. Hence he was actually a great-grandson of DAVID, not of JESSE.

SECONDLY:

Evidence now at hand indicates that our Richard Grinstead had first married Barsheba Hix, by whom he had a son, Jasper, and a daughter, Naomi. Elizabeth Warren was thus his SECOND wife, and the mother of Richard II, Beersheba, Bartholomew Thomas and Betsy; possibly others for whom we do not have the names.

THIRDLY:

There were some typographical errors to be corrected.

FINALLY:

Recently we have received much valuable information to fill in some of the spots where previously we were unable to give full accounts. Much of this new data was provided by Mrs. W. D. Grinstead of Bonners Springs, KS, by Hugh Grinstead of Los Angeles, and by J. David Grinstead of Auburn, WA, but others of our staff of researchers have continued to cooperate with their helpful suggestions and with additional new data.

NOTE: All the changes are indicated under the chapter, and according to the pages with which they should be associated in the original text. For changes in the Introductory Pages (pp. 1-12), see page S-2, S60

Supplement to

CHAPTER 1 - JESSE GRINSTEAD

(NOTE these changes for pages 13 to 19)

p. 13: *C*Henry Grinstead, who m. Sarah (Sally) Ferrill, seems definitely to have been a son of JESSE, and not of Richard as we formerly indicated. For evidence:

- A* From the Chapter on Hart County in Perrin's "History of Kentucky" we learn that Squire Francis M. Grinstead, who was born August 15, 1844 in Munfordville, Kentucky, names as his father Joseph, son of Henry, son of Jesse. (this data from Paul McClure).
- B* From Deed Book K (P. 421) of Barren County, Kentucky and dated 18th September 1826- Indenture between Henry Grinstead of the County of Hart and State of Kentucky to Thomas Lewis of the County of Barren and State aforesaid-- for 137.00 two tracts of land in Barren County and on the waters of Beaver Creek. First tract consists of 20 A which was conveyed from John Gorin to said Henry Grinstead; second tract contains 30 A both tracts in part of land conveyed from JESSE Grinstead to Henry Grinstead dated September 15th, 1812. The above deed was signed by Henry Grinstead, Sally Grinstead. (This data from Mrs. W. D. Grinstead)
- C* From a Xeroxed copy of "THE REGISTER" of the Kentucky Historical Society, Vol. 52, 1954, we note that in the State Archives showing Hart County deaths there is this item:
"GRINSTEAD, Henry- age 77; d. Dec. 28, 1856 of dropsy; parents Jesse and Elizabeth Grinstead." Data from J. David Grinstead)

NOTE:

The following seven pages will give a new and more complete account of the family of Henry Grinstead and Sally Ferrill Grinstead (pp. S-4-S-10) so you may reject pp. 26 and 27 of the original text in the Richard Chapter.

NOTE, HOWEVER: Dr. Wm. F. Grinstead was NOT descended from Lucy and Wm. Warren, but from Edward Grinstead, a younger brother of Wm. Warren.

CHAPTER 2 - RICHARD GRINSTEAD
 (NOTE these changes for pages 20 to 117)

p.20- From the researching efforts of Mrs. W. D. Grinstead we learn that Richard Grinstead must have been married TWICE:- First to Barsheba Hix, by whom he had a son, Jasper and a daughter, Naomi; Second to Elizabeth Warren by whom he had Richard II, Beersheba, Bartholomew Thomas and Betsy, and possibly others whose names we have not learned. The HENRY we listed originally as a son of Richard and Elizabeth seems definitely to have been a son of JESSE. Too, we note that we listed a Sarah, instead of Beersheba, in one place- a typographical error. Jasper Grinstead married Jemima Gooch in Louisa County VA December 23, 1802 and later they moved to Bedford County, Tenn. Naomi came with her father and stepmother to Kentucky where, on June 16th, 1807, she married Thomas Meek.

A Supplement to "The Frost and Related Families of Bedford County, Tennessee" by Wright W. Frost, who died in 1973, (on page 364) relates: 8. Barsheba Hix, at an unknown date and in an unknown county, married Richard Grinstead, as evidenced in the indenture dated Dec. 2, 1828, by which their son, Jasper Grinstead of Louisa County VA and their daughter, Naomi Meek of Warren County, KY, conveyed to William Walker their interest in the share of the 514-acre tract due Barsheba Hix (sister of Sabra) who married Richard Grinstead and by him had two children, Jasper Grinstead and Naomi Meek, who are entitled to one equal share in said land which is believed to be one eighth between them, or half of one-eight to each"-(Charlotte County VA Deed Book 19, page 156)

If Jasper was of age when he married we presume he must have been born c1780. In Louisa County VA Deed Book W, p. 67, under date of August 15, 1837, is listed the transfer for \$500 of a tract of 122 acres to John West of Louisa County by Jasper Grinstead and Jemima, his wife, of Montgomery County, Tenn.

p.21-Note that Richard's marriage to Elizabeth Warren was his SECOND marriage, and that by a prior marriage to Barsheba Hix he had a son, Jasper and a daughter, Naomi. Too, we must delete the name of Henry as a son of Richard, so this leaves only Richard II, Beersheba, Bartholomew Thomas and Betsy as KNOWN children of Elizabeth.

Lewis Potter served as Security on April 2, 1810 when Richard and "Fanny" were granted their license to wed.

Naomi's license to wed was granted June 13th, 1807 but the wedding was on June 17th, Richard Grinstead was Security.

Thomas Meek served as Security for Beersheba G. and Thos. Potter Richard Grinstead gave consent for the marriage of his daughter, Betsy, to marry Jesse Humphrey.

pp.26 and 27- DISREGARD these pages, since Henry has now been proved to have been a son of Jesse, rather than of Richard. A new account, (more complete) of the family of Henry Grinstead and Sarah (Sally) Ferrill will now be found in the SUPPLEMENT, pages S4 to S10.

p.28- Richard Grinstead II and Frances Elizabeth (Fanny) Potter secured their license to wed on April a, 1810, with Lewis Potter as Security. The marriage was on April 18th. According to the "D.A.R. Cemetery Records" at Des Moines, Iowa, Frances Elizabeth Potter Grinstead died September 4, 1859, with burial in the Dunville Cemetery.

NOTE ALSO: Richard's War Record was #18963, instead of 18693.

For LATE, LATE changes in pp. 29-34, see p.S62 (following the Index)

- p. 28- *10*Thomas Grinstead was born Sept. 28th, not 2nd, in 1830. He served as a Private in Company F, Indiana Volunteers, in the Mexican War from June 1, 1847 to July 16, 1848. For this he received a land warrant from the Government in 1849, but there seems to be no proof that he made claim to his grant of land before his rather mysterious disappearance ca. 1851.
- p. 35- Ann H. Lewis, first wife of Lewis Potter Grinstead, was daughter of Alexander and Nancy Ann Vawter Lewis.
Lewis Potter's second marriage was in 1852. His second wife, Rhoda A. Conger Hunter, was born July 9, 1815; died in 1877, possibly on February 10th. Her will was probated in April of 1877.

- p. 50- David Vawter Lewis and wife, Sarah Ann, both died in Lincoln County, KS.
- p. 51- It seems that somehow we left out one of the seven children of George Wesley Howard Jr. and Amanda Louis Teeters. Pearl Edith Howard was really the 5th child and should have been listed as e-. An older sister, Velma Mae should be listed.
d-Velma Mae Howard MARRIED Jack Jarrell

The children of Ellen Elizabeth Grinstead and Roy Hamilton should bear the surname of HAMILTON, not Grinstead
- p. 56- Joseph Milton Grinstead married (2) on August 2, 1917 to Emma Blaich Jones (b. 1878). They later moved to Texas.
Line 38 should read "This concludes the family of JAMES Louis G.

- p. 58- Ora Idella Grinstead died April 25, 1968, not 1868.
- p. 60- We had first husband of Mabel Marie Hockmuth as Robert Harrigan. Another source advises us that it should be W.D. HARRISON.

WHY AN INDEX?

Even before we began to prepare this Supplement we were aware that our Table of Contents in the original text was not enough in detail to enable one to find easily and quickly the information desired. Truly we needed a convenient INDEX OF INDIVIDUALS to make the text more useful.

Fortunately, just about that time, we received a most welcome letter from Mrs. Shirley Swart (R# 8, Box 266, Yakima, WA 98902) advising us that she would be willing to share in the labors of our project by attempting to prepare for us an INDEX for the original text. It was with much appreciation and with a feeling of deep relief that we promptly accepted her most kindly offer.

After weeks of studious effort Mrs. Swart mailed us the INDEX which she proposed and we found it thoroughly acceptable, so to her we express our gratitude. We have needed only to expand her index in order that we might include those many individuals that we had added through the Supplement. (pp. S1 to S36).

HOW TO USE THE INDEX

Note first, that the INDEX will consist of TWO sections:

SECTION ONE: for those born with the surname "GRINSTEAD".

These are listed individually; and alphabetically according to their given names. For each one, the given name of the father is indicated (in parentheses), after which the pages are noted by number. You will note that the pages of the Supplement are always preceded by the letter "S", thus: S1, S12, S23 etc.

SECTION TWO: for all those whose surnames are other than Grinstead.

In this Section we have not listed by "given names"-- only by SURNAMES, and all bearing any particular surname will be listed as a group. Again the page numbers will indicate where you may find individuals bearing that surname.

WAS IT WORTH IT?

We must admit that the addition of an INDEX has more than doubled the cost of the Supplement that we had planned, but we confidently believe that, once you have found how much the INDEX adds to the convenient use of both the original text and the Supplement, you will heartily agree that it is well worth the extra cash and effort expended.

Again it has been our pleasure to serve you. Only through loyal cooperative effort of many has this project been made possible.

page 28 and
page 29-

Note that William Grinstead, son of Richard II, was born Jan. 11, 1811 and that he died Dec. 23, 1897. Since we published "The William Grinstead Family In America" in May of 1974 many new bits of additional evidence have been uncovered by Mrs. Maridell Fisher Fryar of 3401 Humble St., Midland TX 79701. She has used the 1870 and 1880 Census Reports of Wayne County, Iowa, together with a letter written in 1970 by Ottie Rinehart Grinstead, then a resident of Plant City, Florida.

It now appears that this William Grinstead was twice married. Originally he married (1) Elizabeth Lowry in Warren County, Kentucky, September 10, 1833. In 1834 they moved with the rest of the Richard II family to Jennings County, Indiana, and then about 1849 they moved on westward, finally settling in Wayne County, Iowa.

Evidently there were two children by the first wife:

I-Sarah Ann Grinstead whose family was described on pp. 29-34 of the original text.

II-William H. Grinstead born c1842 in Indiana (probably Jennings County).

We presume that it was after the death of Elizabeth that William married (2) Mary _____, who was born in Kentucky c1818 na, died probably in Wayne County, Iowa, before the 1880 Census. From this second marriage there were born five additional children, whom we shall designate as III to VII.

III-Susan Grinstead, born c1851 in Illinois

IV-Mary Grinstead, born c1855 in Illinois

V-Riley E. Grinstead, born c1857 in Missouri

VI-Lucretia Grinstead, born c1859 in Missouri. This may be the elusive "Lou" of the photograph, and of the old letters, that were responsible for her being named as a second child of William in our original edition.

VII-John B. Grinstead . MARRIED Lucinda Rhoads

12-25-1862--1- -1929

John was born in Illinois; died at Wichita, KS

Apparently there were five children as follows:

A-Allie Grinstead MARRIED _____ Bisby

6-1-1888--2- -1929

Allie born in Kansas; died in Kansas

B-William Arthur Grinstead

6-1-1890--12-9-1961 He died at Enid, Oklahoma

C-Ottie Rinehart Grinstead MARRIED Jewell Golin

Ottie was born in Iowa; was resident of Plant City, FL in 1970

D-Ida Grinstead

- -1895-- ?

E-Albert Grinstead died in infancy.
