TO THE RESEARCHERS OF GABRIEL MCKENZIE OF MD AND OH

For many years we have been researching together and have at times been in contact about our Gabriel McKenzie (ca 1758-ca 1832), son of Gabriel McKenzie (1715-1793) and Sarah Durbin. As we do not have a will or probate information about descendants I have compiled some evidence and wish to get it out to all of you.

Enclosed you will find:

Ann Stansbarger summary of life of John McKenzie (ca 1674-80-ca 1758)

To me the preponderance of evidence suggests that our Gabriel was the son of Gabriel McKenzie and Sarah Durbin. The most telling evidence is the tax list of 1783 which shows a second Gabriel as a bachelor on a different page from the rest of the family. Our Gabriel would have been married about 1789 with his first child born 1790. There are no marriage records extant for Washington Co. MD until 1799, so if anyone ever comes in contact with a descendant who has a family legend about the wife of Gabriel please pass the information on, as I feel only information that has come down in the family of one of the children of Gabriel will give us evidence as to their mother. If anyone has further information, or corrections or wants further information please contact me. If you know of anyone else who would like this information please send me their address and I will send them a packet. Thank you for your cooperation on this project.
